MRGC TROUT DERBY - Update

What a fun time had by all who participated in the MRGC annual fishing derby that was held on April 29 & 30th. With approximately 125 fishing participants, lots of caught trout (2 of which were tagged fish) made the weekend a success. And, thanks to the weather gods for cooperating!

Raffles, contests, first time kid fishing experiences...New members were recruited. Existing members socialized and caught trout. Good times. Good times.

Several thank yous are in order, especially to Andy Woods. Others include:

- The E-Board for allocating the funds for the derby.
- Mike Murphy for food shopping and managing check writing for the event.
- John Demars and Chuch Garlisi for showing up at 5am to cook breakfast each day.
- Billy Allen, Buzzy Costillo and Mark Darcey for helping with setting up the tents in the sales area and cooking lunch both days.
- Brian Hendricks for cooking and donating his famous baked beans.
- Jules Costillo for getting the derby printed in the Maynard middle school's take home newsletter.
- The Town of Maynard for posting the event on the town website and for letting us put the derby sign on the fence at Alumni Field.
- The Clock Tower for allowing us to put a sign on on their property on Main St.
- Cabela's for donating the prizes for the children.
- Lunker's Outfitters of Ashland for ordering a large amount of bait and then accepting the return and issuing us a refund for any unused bait.
- The Pleasant Cafe for their \$50 gift card donation for the raffle.
- FedEx/Kinko's for donating their time to cut up and organizing the raffle tickets.

Here are some pictures from the event:

SKEET, TRAP & 5-Stand

The 3 shotgun (Skeet, Trap and 5-Stand) Fun Shoot Intramural Tournament hosted by the Skeet & Trap Committee on Sunday, April 30 was a huge success on multiple levels. With 16 shooters S&T had the largest contingent ever for any of its intramural shotgun shooting events, and a great warm up and proving ground for the upcoming club tournament against Riverside to be held at Maynard on Saturday, June 10. The meal of barbecued hot dogs and hamburgers served after in the clubhouse bar was also a big hit. And based on the glowing reports from participants during and after everyone had a spectacular time.

TOURNAMENT TOP GUNS — Jim Leuck was the big winner — first in Skeet with a perfect straight of 25; second in 5-Stand and High Overall. Travis Powell was first in Five-Stand; Dwight Warren took first in Trap. Second place trophies went to Steve Winnick for Skeet and Mike Cavanaugh for trap.

Skeet and trap are busy and the weather is bringing out all the fair weather shooters. Both fields are very busy and with lots of activity and fun times. Quite a few shooters are showing their new shotguns and learning to use them. New wobble skeet machines are ordered and are due in about 3-4 weeks for field#2.

Two weeks ago, skeet & trap received 9 pallets of new clays, so we are fully stocked for the spring and summer shooting. Thank you to all of the volunteers who took off time from work to unload the pallets and stack the boxes of clays for all of us to benefit.

Regular shooting hours commences on Sundays around 9:30am with coffee and donuts before hand in the Shooters' Den (Sudbury side). Steve's Road Kill Cafe serves up good times and busted clays. Open to ALL MRGC members. Local clay pigeon aficionado, Steve

Winnick, tames the wind gods while club logo apparel model, Gifford Perry, coaches newbies (and some not so new) in the art of bustin' clays. Come on down! For more info, contact Gifford Perry. trapandskeet@maynardrodandgunclub.com

TRAP LEAGUE

For the first time ever, the Club has put three teams into the Greater Lowell Trap League. We now have a team in the B, D and E divisions of the league. The D and E teams both shoot on Tuesday nights, so through the summer, the outdoor ranges will be closed at 6:00 PM while the teams host their matches. With two teams on Tuesdays, one team will be home ever week while the other team travels. The B team will be shooting on Wednesday nights and will alternate between home and away matches. Please see the Club's calendar on the Club website for dates and range closings. Contact trap team chairmen John Mackesy or Ramzi Maalouf for more details at trapeague@maynardrodandgunclub.com

MRGC Club Logo Apparel - The Clothing Order Has Arrived!!!!!!

Last Sunday, May 7th, Gifford Perry was handing out clothing that was ordered. If you missed last Sunday, plan to come over the next couple of Sunday's for pick up.

If you are one of the lucky who placed your order months ago, it is time to see Gifford Perry at the Shooters Den (by the Sudbury side skeet fields) this Sunday, 5/21 between 9:30-noon for pick up. Gifford will be present from 9:30-12:00 engaged in his usual Sunday morning ritual of breaking clay after clay, but he promises to make time for each of the 40 or so members who need to pick up their logo apparel.

The large order of t-shirts, pullovers, fleece vests and hats with the Maynard Rod & Gun Club logo looks terrific. If you missed out this time, but still want to place an order, please reach out to Gifford directly to get in early on the next order. All clothing is to order. The next order is likely for this Fall, or once there is enough interest again. For questions, please contact Gifford. wgp27@comcast.net

Send us your outdoor photos to include in the newsletters

Have you been out on the water yet? Bag a turkey this spring? Did you take a kid fishing or hunting? Did you take a photo of an extraordinary nature and/or wildlife picture you want to share? Send jpg. photos to Josh at newsletter@maynardrodandgunclub.com to include in the newsletter and include a short caption of who, where, what.

Kudos to Andy Woods catching his very first striped bass of the year on Cape Cod in May (last week)! Note the angle of the picture makes the fish look quite small against big Andy. However, this measured and weighed striper was actually 47", 44LB (verified by Andy's own recollection)!

NEW MRGC ORANGE LANYARDS WITH CARDS

Remember, it is a requirement in 2017 to wear your lanyard at all times to display your RO credentials at the R&P ranges at all times. Thank you in advance for adhering to this new mandatory policy for safety. We understand this will take some getting used to, but this is the responsibility and obligation of each member to follow. Thank you.

Finance Committee - Volunteers Needed - MRGC WANTS YOU!!!

We have 3 new volunteers on the committee, but we could still use more arms and legs. The Club is kick starting the Finance Committee back into action. The Committee meets to review the Club's finances, make recommendations, and report back to the E-Board on where the Club can make money, save some money or be more efficient in its business practices. Past accomplishments of the committee include an energy audit and savings through Mass Save. The committee will meet once a month for the first 1-2 months to get going and to address budgeting and then just once a quarter. Volunteering is a great way to earn some CHIT's towards next year's dues. For more info, contact Peter Early, pete.early@yahoo.com

MRGC Members Lounge - Bartenders Wanted

A few new bartenders have been hired and we're still looking for another brave soul or two. We are always looking for bartenders in the members lounge. Please contact Brian Pettis, brianpettis1963@gmail.com for more details.

Membership Message -

Know someone who's MIA? Encourage them to drop us a line...

We're a volunteer organization and our records aren't perfect, and neither are our volunteers. Every year there are folks who contact us and say they didn't get a renewal. Mistakes get made, but we're happy to fix them and get people back in the fold especially as the warmer weather and prime shooting season approaches. If you or a friend feels like they've gotten lost in the shuffle, by all means drop me a line at the Club at secretary@maynardrodandgunclub.com. I'll get back to you as soon as possible. If you or your friend aren't up to surfing the net call and leave your name and number at the lounge and I'll call you when I pick up that message at the Club.

Got Access?

Card Access is set for members and range officers. All members in good standing have access. The lounge typically opens at 3pm week days and noon on weekends. The lounge doors are programmed to this schedule and won't open by card before those times. Similarly, the indoor ranges door is on a 9am-9pm schedule. To qualify for access you have to be a Life, Regular or minor member who has recertified as a range officer in 2017. The range won't open before or after 9 (and won't open to those who haven't certified with R&P at all). Need to be re-certified for R&P? Please check the newsletter for announcements or contact rifleandpistol@maynardrodandgunclub.com.

Card escaped you?

Please let us know so we can deactivate it and replace for you for a nominal fee of \$10.

Card Broken?

If your card is malfunctioning and not working properly please contact me at Secretary@maynardrodandgunclub.com and we'll meet and test and replace your card if necessary.

Paper Membership Cards remain available in the (spiffy new) member correspondence box in the lounge.

Swing by and visit! Pick yours up? We'll be mailing those left file out soon, but visit, the Club is absolutely at its most beautiful this time of year.

GMAIL EMAIL USERS

I have learned that gmail may automatically filter emails into "tabs" (primary inbox, social, and promotional, etc) and some MRGC newsletters may get filtered into "promotional" tab which means members don't always see them until they dig them out of that folder.

A member who uses GMAIL recently found a way to make the MRGC emails arrive in his primary mailbox permanently and thought you might be interested. See below.

I think "option 2" on this web page is the way to go. <https://socialtriggers.com/new-gmail-changes/>
