Upcoming Events and News

Skeet, Trap & 5-Stand - Save the Date: Sunday, September 18

A three-gun intramural tournament (Skeet, Trap & 5-Stand) hosted by the Skeet & Trap Committee but open to all Club members will be held on Sunday, September 18. The tournament will include trophies and prizes and a special theme meal to follow the shooting events. Space will be limited to 20 shooters maximum, so reserve a slot as soon as possible by contacting Steve Winnick (winvictus@winnlaw.com) or Gifford Perry (wgp27@comcast.net).

Fall Fun Tournament against Riverside R&G at Maynard. A friendly 3-gun tournament (skeet, trap & 5-stand) with special meal and trophies and prizes is being planned for the Fall against our rivals at Riverside R&G. Riverside is the present holder of the coveted Club Tournament trophy until next Spring when the Club trophy will be contested again. Maynard has thrown down the gauntlet to recapture it; and the Skeet & Trap Committee intends to use the Fall fun shoot as practice for the main event in the Spring when the Club trophy will be recaptured by Maynard and displayed proudly again in the Shooters Den.

The shooting ranges are open at 9:30am and close at dusk or under the lights with shooting ending by 9:00pm. If you're trying it out for the first time or want to sharpen your skills, we offer lessons. Please contact Gifford Perry or John Mackesy for details. If you want RO training so you can open and close at your own schedule, please contact the John or Gifford.

Our B division Greater Lowell Trap Team finished in 3rd place with Jim Leuck shooting 98 of his last 100 targets and ending up with the second highest individual average of 23.78! Let's give a well deserved shout out!

Remember, every Sunday 9:00am meet for light breakfast and coffee. Between rounds, local clay pigeon breaker and legend, Steve Winnick, provides stimulating conversation at no additional charge. For more info, contact Gifford Perry wgp27@comcast.net

Women on Target at MRGC - 10/1

(REMINDER - Women on target planning meeting on Thurs., 9/22 @ 7pm)

Maynard Rod and Gun Club, together with GOAL, is pleased to announce that once again, we will be sponsoring an NRA Women on Target event on Saturday, October 1st. One of the growing segment of the LTC market is women.

Volunteers wanted! This is a great way to earn chits and help attract more women as members of our Club! We'd like to make a special appeal to our female club members to volunteer to help with this event (to make our guests at this women's only event more comfortable). No special qualifications are required to participate in a broad variety of supporting roles – any female NRA certified range officers, rifle, pistol or shotgun instructors are of course more than welcome and encouraged to take leadership roles on our range teams.

Do you know any women who are interested in pursuing their LTC and joining our Club? This is a golden opportunity. See our Women on Target event page on the club calendar for details and registration materials. The class is filling up fast!

Rifle & Pistol Committee

The indoor range will be closed on September 15th @ 4:00pm to repair the target wall.

If you are interested in joining the pistol team, seeing the format, meeting the guys and girls, or just looking to shoot a quick round, come on out. The pistol teams compete in the Nashoba Valley Pistol League. This is a traveling team with a little less than half of our matches being away--we shoot against each other! We usually start early/Mid October and continue till early/Mid March. We shoot 22 pistol in the NRA Gallery format. The league is very accommodating to new shooters and people with busy schedules. Only the top five scores count for a team score, and the league does allow shoot aheads--in case you know you will be unavailable the following week.

Contact Ramzi for more info. fourthmuskeeter@yahoo.com

R&P has implemented new procedures to get our new members out on our ranges faster. Rather than wait for the subsequent monthly R&P Committee meeting, new members can now meet with R&P representatives immediately after they've been accepted by the E-Board and get their range credentials approved the night of the E-Board meeting. Now that's what I call member friendly service! For more details, contact Ken Chin (trackertx17@yahoo.com), Jeff DeLand (jmd13@live.com), or Bud Parker. See you on the range!

The R&P committee is working with a contractor to repair the outdoor rifle range backstop. Keep your eyes out for more improvements. Anyone who is interested in earning Chits by helping the R&P committee with improvements can email Jeff DeLand rifleandpistol@maynardrodandgunclub.com

Action Range

The R&P committee held an hour long training session earlier this summer. The session was a hit. The training covered responsible shooting and safety techniques for the action range. There was a demonstration on how the range should be properly used and a discussion took place on expectations of each shooter while using this range. Resident NRA instructors were utilized.

For enjoyment and safety, the R&P committee is actively working on more improvements to our already great action range. We will be looking for volunteers for a 1 day work party to repair target wall in the

indoor range..date TBA around volunteer schedules. If interested, please contact Jeff directly.
jmd13@live.com

If you are not authorized to use the action range, and have interest, now is your chance. More classes to follow. For questions, training and more info, please contact Jeff, jmd13@live.com

We are making improvements to the action range by raising the burm heights for additional safety. Safety first! Anyone interested in earning Chits by helping the R&P committee with improvements can email Jeff DeLand rifleandpistol@maynardrodandgunclub.com

The team would like to thank the Club and it's membership for their continued support.

Membership Committee

Please Bring us up-to-date!

We've had a very successful 2016 in terms of Membership Growth we are going to crest 500 members total with more than 400 full members by year's end. I believe these are high water marks for the 21st century!

That means that 2017 membership renewal season is almost upon us. Has your E-Mail address changed? Changed your address or telephone numbers? Please bring us up-to-date!

Please send any updates to me for processing at secretary@maynardrodandgunclub.com

As the frost comes on the pumpkins we'll soon be sending our 2017 renewal notices. To save scarce administrative resources (the mind I save may be my own) we'll send first notices by E-Mail. You'll once again be able to print the notice and pay by check or by credit card "on-line" should you so desire. For those members who don't have E-Mail we'll use "snail mail." You'll receive an E-Mail receipt as I process renewal checks. I will hold 2017 paper member cards for distribution at the RO meetings to save postage. Questions? More info? Feel free to contact me (Bob Trombly) at secretary@maynardrodandgunclub.com

We're looking to enhance the membership experience at the club and the membership committee is looking for members to get involved in that process. Do you want to contribute, but don't know how?

Join the Membership committee! We value your input and help and could use extra arms, legs and brains on:

1. An advertising campaign for late Sept.
2. A refreshed member Handbook
3. New committee members on the committee

Meeting the Sunday in the clubhouse before Executive Board every month.

The building committee will be constructing a roof extension over the new A/C units on the side of the function hall this fall. Will announce a date next month. We have a lot of expertise at the club and want your involvement. If interested in getting involved, email Mike. mikecostello2@verizon.net

Don't be late! Here are some important dates!
