Got Dues? 2017 – Membership Renewal Dues are now overdue!

First and foremost, thank you so much to the nearly 400 who've responded and paid their dues already. This is a major source of income for the Club and collecting dues promptly helps us pave the way for capital budgets and improvement in 2017.

If you haven't paid and are looking for your invoice, we generated invoices via email beginning in mid-November. I've been apprised that this year's invoices are emanating from a different address than they did last year. Be on the look-out for an email invoice from quickbooks@notification.intuit.com, that's being generated from the Club's Quickbooks accounting system.

- Full membership is \$185 (less up to \$50 for applicable chit hours)
- Social membership is \$50

The value of any chits hours I have received from our Chits chairman, Ken Chin were deducted from your invoice should show as credits. If you don't think your chits are properly reflected, please contact the appropriate committee chair you worked with and they will work with Ken to make any appropriate adjustments and report them for credit. Ken's E-Mail is trackertx17@yahoo.com.

We're using Quickbooks E-Mail to save the Club labor and the administrative costs associated with annual renewal mailings. Using Quickbooks E-mail:

- You can pay by credit card if you wish.
- You can pay by E-Check as well.
- You can also pay by sending us a check payable to Maynard Rod and Gun Club to:

LTC/FID Certifications and Other Training

Keep an eye on the club calendar for the next Firearm Safety Classes and other proficiency

classes. Our Club is a supportive environment where people can learn and grow in the shooting sports. That truth has been strongly projected in terms of the various training seminars we made available at the Club. We will be hosting more training events at the club in 2017.

The Club and our members are a great resource that prospective and existing members can call upon to grow and develop their skills. Do you want some help thinking about guns or gear? Need recommendations on group or individual training and lessons? An introduction to the shooting sports? The rifle and pistol committee can help you find answers to your questions and offer advice and recommendations on all things shooting. For More information contact rifleandpistol@maynardrodandgunclub.com

MR&GC Trap Teams and the Greater Lowell Trap League - It won't be long before the trap season kicks off the 2017. The Club has had teams competing in the Greater Lowell Trap League and this year, we're looking to expand on teams. In the past, the Club has sponsored two teams in the league, this year we're looking to add a third and hopefully a fourth. The teams compete once a week, either on Tuesday or Wednesday nights, depending on division. The league starts this spring and continues through the summer. No need to be an expert, all skill levels are welcome. If you're interested in joining a team, please reach out to team captains John Mackesy and Ramzi Maalouf. trapeague@maynardrodandgunclub.com

Annual Kid's Christmas Party with Santa - Last month on 12/18

What a hit!!! If you didn't bring your kids, you missed out. Put this on the calendar for next year and plan around it. The hall was completely filled with families. Santa arrived by Maynard fire truck and surprised eager kids who were playing games, doing arts & crafts projects and eating pizza. Families participated in raffles. And, Santa had each child sit on his lap, then lean into his belly and beard before he graciously gave a gift to each child...And, Santa's elves charmed all as well. A great time for all and a great family event. Good old fashioned Fun, Fun, Fun. (A HUGE thanks to the Maynard Fire Department, Steve Locke, Brian Pettis, Brian's wife Sue and all of the elves who made the event so successful!)

Above: Santa walking towards awestruck MRGC members kids with a sack of candy canes to greet all. Below: An action picture of just some of the musical chairs participants left who had all been able to find a chair when the music stopped. Big congratulations to returning MRGC musical chairs champion, Hannah Peters.

Rifle & Pistol Committee

The Rifle & Pistol Committee would like to remind everyone of two important topics for 2017.

Range safety. Keep a vigilant attitude towards safety. Please make sure the muzzle of your firearm is always pointed in a safe direction, downrange. Remember when someone is down range, no one can handle or otherwise manipulate firearms, ammo, magazines, cleaning supplies, etc. magazines must be removed, chambers must be open, & a visual check of firearms should occur. Hands Off! Everyone must step back from the benches when people are down range. Wait until everyone is back behind the benches before you resume handling. When anyone goes down range on either the Rifle or Pistol side, both ranges are closed. Please remember it is up to all of us to create and maintain a safe environment for all of our shooters.

Range clean up. It is the responsibility of all members who use the ranges to clean up your shooting stations & remove all of your targets before signing out. Use the burn barrels for all paper and cardboard. Trash must go in one of the provided trash barrels. It is your responsibility to pick up all of your shell casings. We have provided brass buckets for your convenience. Please pick up your brass and do what you can to reduce the amount of spent shell casings on the ground.

Please note the time/day change for the R&P Committee meetings. The committee has changed their monthly meeting to the Thursday night prior to the E-Board meetings. They no longer meet on the third Thursday of the month. Anyone looking for Range Officer status should reach out to the committee or attend one of the monthly meetings.

The Club would also like to congratulate Member of the Year Bud Parker on his new post as Rifle and Pistol Committee Chairman.

If you'd like a refresher on the Rifle and Pistol rules please feel free to email us. Please communicate any ideas, issues, observations or infractions to the rifle and pistol committee immediately at: rifleandpistol@maynardrodandgun.com
