Happy New Year to all. Although we are already into January, the club leaders didn't want to miss an opportunity to wish everyone a happy and healthy new year. May 2019 be full of all

good things for our members.

Kids Santa Christmas Party - *A hit, once again!*

If you didn't make it out, see what you missed (above). The Children's Christmas party was a great success. Christmas party chair Ellen Murphy and her side kick Jeff DeLand together a great event with music, games, crafts and food. A great time was had by all who had attended. The grand arrival of Santa was the highlight of the party, as usual. Special thanks are in order for all who helped with the party. Steve Locke, Jerry Peters, Ronda and John DeMars, Jane Kline, Tracey and Andy Woods, Theresa and Jeff Swanson, and Steven Cohen (who donated tooth brushes to all the kids). We look forward to seeing you at this event in 2019...

Pursuant to our by-laws a notice will be posted in the member's lounge at the January 14th E-Board meeting. Interested full members in good standing for 2019 should sign up on the sheet in the Club lounge to be interviewed and selected by the Board at the February 11th meeting.

Candidates plan to be interviewed shortly after 7pm on Monday 2/11 and the candidate selected will get right to work with the Board for the balance of that meeting. The selected candidate will serve on the board for the remainder of 2019. For more information

Christmas Raffle Winner

We had 263 people who paid on or before Christmas. We used the excel random generator

function to pick a # between 1 and 263. It came up to 140 which corresponded to Bastiano Mancuso. He is therefore the winner of our Christmas raffle. (\$185 prize)

Our many thanks to the many members who paid by Christmas and gave themselves a chance to get a little present. Congratulations to Bastiano Mancuso who was the paid up member randomly selected!

Thanks to all who've paid their dues promptly it help the Club get up and running quickly in the new year!

Got Dues? 2019 – Membership Renewal Dues are now overdue!

First and foremost thank you so much to the nearly 400 who've responded and paid their dues already. This is a major source of income for the Club and collecting dues promptly helps us pave the way for capital budgets and improvement in 2019.

If you haven't paid and are looking for your invoice we generated invoices via E-Mail beginning in mid-November. I've been apprised that this year's invoices are emanating from a different address than they did last year. If you want to look in your inbox then be on the look-out for an E-Mail invoice from Maynard Rod & Gun Club via the E-Mail address:

quickbooks@notification.intuit.com, that's being generated from the Club's Quickbooks accounting system. I will have deducted the value of any chits hours I have received from our Chits chairman, Ken Chin and they'll show as credits.

* Full membership is \$185 (less up to \$50 for applicable chit hours.)

* Social membership is \$50

If you don't think your chits are properly reflected, please contact the appropriate committee chair you worked with and they will work with Ken to make any appropriate adjustments and report them for credit. Ken's E-Mail is trackertx17@yahoo.com.

We're using Quickbooks E-Mail to save the Club labor and the administrative costs associated with annual renewal mailings.

Using Quickbooks E-mail:

* You can pay by credit card if you wish.

* You can pay by E-Check as well.

* You can also pay by sending us a check payable to Maynard Rod and Gun Club to:

Maynard Rod & Gun Club

c/o Club Secretary

45 Old Mill Road

Maynard, MA 01754

If you pay by check - Please put your name & member # from your access card or fob in the memo field --especially if you're using a corporate account OR please enclose a copy of your invoice to ensure that I credit your account properly.

You'll receive an e-mail confirmation/receipt when I receive and process your payment.

You can also pay in cash at the member's lounge. There will be envelopes available to fill out your name and member/access card/Fob# to ensure you get credit for your dues payment. Please ask the steward to give you a receipt for your cash and to seal the cash in that envelope.

If you'd like to add or change your email address or your home address or telephone# or any of your demographic data simply email me at secretary@maynardrodandgunclub.com or drop me a note at the Club.

I will send surface "snail" mail to anyone for whom I have no E-Mail address or for those whose E-mails come back as undeliverable.

How and when will I receive my paper member card? As we did last year we'll use the Annual RO meetings to distribute the cards as the bulk of our members come to these meetings. This will again save us on administrative costs.

Finally, and most importantly, I would like to thank our membership for wonderful 2018! There have been significant improvements on our indoor pistol range with new lighting and security cameras to ensure the ranges are being used safely. There's a new shelter on the Maynard Trap field to help our shotgunners keep their powder dry. The rifle, pistol and action ranges are looking good! This year's steak dinners were well attended.

The Club continues to support the rights of law-abiding citizens to "keep and bear arms." Rifle & Pistol sponsored a Ladies Range day/LTC certification class event in October to address this growing segment in the MA License To Carry (LTC) community. This event was taught by Jon Green, executive director of GOAL. A number of the Club's NRA instructors have offered classes and training to help attract member and enhance their skills. Additionally a number of talented law enforcement professionals have offered training at our Club. Our own Maynard PD Sgt Bill Duggan taught eager members some of the fundamentals of concealed carry and defensive pistol shooting. Check out the newsletter and R&Ps for upcoming opportunities to enhance your skills.

Trap and Skeet has had a banner year with greater participation than ever. Wobble skeet is incredibly popular and both fields every non-monsoon Sunday!

The Club is growing. This year we have attained membership of more than 500 strong, with more than 400 full members on board. This is a high water mark for Maynard Rod and Gun

Club in the 21st century! Let's keep going and keep growing!

By all means, especially if it's been a while, drop by and visit. There's always a lively crowd in the lounge as the Patriots drive for another Superbowl!

Thanks for all your support and the very best in 2019 to all of you for a Happy New Year!

Sincerely,
Bob Trombly

Trap & Skeet Committee

To all of those die hard skeet shooters and bored shooters, Thursday night skeet shooting under the lights has started to great fan fare. The schedule going forward is every 2 weeks on Thursday starting around 5:30-6:00, start when ready... Next date is January 17, Jan. 31, Feb, 7th and Feb. 21. First one there should open up, turn on the heat, open fields and lights and start when enough people have shown up. Last shot is 9:00pm sharp!

Other news: It is very important to close the gate to Powder Mill Road. When leaving ask the people around you who will lock up and confirm who.

Whoever left the microwave behind please come and get it off the Shooters Den.

When shooting skeet field #2 turn on the "TrapPat" machine to warm up **Before** turning on wobble and shooting.

We want to shoot more 5 stand, can someone volunteer to set up and to take charge and schedule this event every month?

Maynard trap house has been under water due to all the rain, you can shoot here, but get there early to hook up pump and hose. When done make sure hose is out and draining so water doesn't freeze inside it and turn pump upside to drain the water and leave pump in the trap house.

Thanks, Gifford Perry

As winter shooting is picking up, please come out and enjoy some trap and skeet shooting. However, please remember, ONLY 7 1/2, 8 or 9 shot can be used on MRGC trap and skeet fields. Absolutely NO hunting loads are ever permitted for safety. Targets loads only, PLEASE.
