R & P Committee

Hey everyone,

The committee hopes that the summer is treating you well. The ranges remain in good shape and

ready for a visit from you and your friends and family. Come on down and use the ranges.

The monthly steel shoots are going well, with good turnouts and lots of safe fun had by all.

Our sole focus for the month of August is the biggest event of the year for us.

The 2019 gauntlet will be held on August 10th, so please come down and support the cause.

Last year, in one exhausting day, we helped good people raise \$18,000 to prevent veteran suicide. The ranges will be closed Friday August 9th in order to prepare them for the event, and all of the Maynard side ranges and facilities of the club will be in use for the event on August 10th.

We hope to see you there.

Sincerely,

The Rifle and Pistol Committee

Trap & Skeet Committee

For a chance to break 25 in row and get more (unsolicited) instruction on shooting and on life, come on down every Sunday morning to join in the fun. Trap and Skeet fields are open everyday @9:30 am if you've had Trap and Skeet Range Officer training from either Gifford Perry: wgp27@comcast.net or John Mackesy: j.mackesy@verizon.net

The Skeet & Trap Committee hit the Spring-Summer shooting season in full stride. All of the Sudbury and Maynard side skeet and trap ranges (Maynard side master Trap range with oscillating trap machine; Sudbury side - combination Skeet and 5-Stand on Field No. 1; Wobble Skeet (and regular Skeet) on Field No. 2) and the Shooter's Den, were given a thorough cleaning, brush clearing, shooting stations repainted, etc. A new storage shed designed by Gifford Perry was constructed to the right of the Shooter's Den to store some of the Committee's

larger maintenance machines (snow blower; riding grass mower, etc.) freeing up substantial space in the Shooter's Den storage room for operational supplies.

IF YOU BUILD IT THEY WILL COME. Many new Skeet & Trap Committee members have joined and are now integrated as RO's and shooting with us regularly across all disciplines: Skeet, Wobble Skeet, Trap and 5-Stand, providing increased vitality to all of the shotgun shooting sports and events; additional volunteer manpower for operations and work details; and generating more revenue from clay fees to apply to replacements and improvements.

PREPAID DISCOUNT COUPON PROGRAM. The Prepaid Discount clays fees coupon program has been hugely successful. Members appreciate the discount savings on clays fees, especially for the most active shooters, but also for all members ease of payment with coupons in correct denominations for standard clays fees, instead of being hassled with bringing cash, making change, etc. Most significantly, the program has accelerated Skeet & Trap Committee's cash flow, allowing more frequent upgrades and replacements to be performed to its shooting facilities and equipment. Moreover, it has substantially lessened the administrative burdens on our volunteers who are responsible for collecting, depositing and accounting for the clays fees. Security cameras have been installed and are operational in the Shooters Den and on both Skeet fields.

MAYNARD R&G v. RIVERSIDE R&G 3- GUN FUN SHOOT at RIVERSIDE: JULY 27. A 3-gun fun shoot tournament: Five Stand; Skeet and Trap, will be held at Riverside July 27. We have filled our squad of ten official entrants (see roster below), but anyone can participate and it is always a great time as the Riverside guys are wonderful hosts and shooters and both clubs are closely competitive. Price: \$25 (includes clay fees, food and refreshments, and prizes; but does not include ammo). Steel shot must be used at Riverside and can be bought there for \$7 a box, or you can furnish your own.
