2016 RO Training updates

2016 Annual RO training - More than 200 of us trooped through the hallowed hall last Saturday and Sunday. Qualified members we issued range cards and new combinations that are now in effect on the range padlocks. Updates will be processed through the electronic access system to activate/extend indoor range access for the attendees and deactivated for those who didn't attend.

If you missed the 2016 Annual RO Meeting

If you missed the RO meeting the next R&P Committee meeting is next Thurs., 3/17 in the

members' lounge @ 7:00pm. If that doesn't work for you E-Mail: Rifleandpistol@maynardrodandgunclub.com to make alternate arrangement to be re-certified.

Membership

We stand at nearly 400 members strong to date, a respectable number for this time of year, but we're not satisfied: we want to grow, especially in our 100th year of operation! Thanks to all those who've paid their dues to date! (Please refer friends, family and any interested prospects.)

At this time, members who haven't renewed for 2016 will have their card access revoked. If life's been in the way, reach out to us and we'll process your payment and we'll reinstate you at the blink of an eye.

Junior Shotgun

The Junior Shotgun Program will be starting up its 2016 season in March. The program is open to boys and girls ages 12 and older. Membership to the Club is not required. Space is limited.

The team meets for practice once a week on Thursday nights from April through September. Our goal is to introduce kids to the clay target sports while providing a safe and positive experience. The program encourages good sportsmanship and personal responsibility through competition while building a foundation to make shooting a lifelong hobby.

There will be a sign-up/informational meeting held at the club on Tuesday March 15th at 7:00 PM. All new members, as well as returning members of the program, need to attend. Our shooting season officially kicks off on Saturday April 2nd. If you miss the registration on March 15th, our next open enrollment will be in early June.

The program requires a fee for participation. The fee helps to cover the cost of targets, as well as help with entry fees to the State shoot, etc. Members will be provided a club shooting vest, as well as eye and ear protection.

For more information and details, please contact one of the coaches, Peter Early or Ramzi Maalouf at youthprograms@maynardrodandgunclub.com or by calling Peter at 978-331-0045.

A special thanks to all those who work hard to keep the club going, too many to mention, please keep up the effort.

Keep an eye on the upcoming newsletters, the Club's website and Facebook pages for announcements as there is always something going on.
