Membership Updates

The Annual Range Officer's meeting last weekend marks the unofficial end of annual renewal season. We stand some 491 members strong. We lose about 10% of our membership every year in the natural course of things. So while we have slipped from our DEC 2016 high of 528, we'll gain them back throughout the year and we'll probably crest above 528 by end of 2017.

More than 200 folks availed themselves on-line payment options! Most responded to the invoices we emailed from Quickbooks. Thank you to all that saves the Club on postage!

"Life got in the way. Is it too late to renew?" *It's not too late!* For those who feel out in the cold and want back in the fold, The Club has a very liberal reinstatement policy. Simply pay your 2017 dues and you're back on the inside! No late fees, no requirements to pay lapsed years. We'll process your renewal get you your credentials; restore your access and get you in touch with R&P who will recertify you and we'll get you back on the range in a jiffy. Contact me at secretary@maynardrodandgunclub.com if you have questions or issues.

Cards.

2017 Member cards

At the range officers meeting we distributed membership cards and Range Officer cards to attendees. We'll be

releasing membership cards shortly. I'll leave them at the lounge for a bit so you can drop by and pick them up as you enjoy the Club. Those not claimed by the end of April I'll mail. If you don't anticipate stopping in any time soon and would like your card mailed please drop me a line a secretary@maynardrodandgunclub.com

2017 Range Officer Cards

Only the rifle & pistol committee can certify Range Officers (RO) and release 2017 Range Officer cards. Alternate training dates will be published by Rifle & Pistol in the newsletter and on the Club calendar. Contact rifleandpistol@maynardrodandgunclub.com if you have questions or issues.

Access Cards and Fobs

Our evergreen access cards and fobs have in the past 3 years paid for themselves over the old system.

We've revoked access for those who have not renewed for 2017 and we're processing the RO access for 2017 Range Officers.

If your card is malfunctioning contact us; we'll get you squared away.

If you've lost your card we'll make you a new card for \$10.

Rifle & Pistol Committee

Update from the rifle and pistol committee.

The annual range officer meeting was held this last weekend, and there was great turn out. Thanks to all of you who took the time to make it. The new rules are working out well, and we've had several compliments and comments that will make the next revision even better. Now that the partnership between paragon training in the club has been finalized, keep your eye on the calendar and the newsletter for their upcoming training events.

You can also hit their website paragonTgroup.com, and register for their classes there.

The committee has a lot of irons in the fire, but we're always open for ideas and suggestions, so don't be shy. Email us at rifleandpistol@MaynardRodandgunclub.com with whatever you've got and we will respond.

We are taking suggestions for activities on cleanup weekend, so if there's something you've noticed that needs taking care of drop us a line.

As always, safety is our focus and is always at the forefront. Would like to offer you another quick safety video for your enjoyment. Please take a minute to watch this short video on firearms safety. This one is done by the national shooting sports foundation, and reiterates the rules that we live by.

<https://youtu.be/NvDLU-4InbU>

Most importantly, for those of you who missed the annual meeting and now do not have current range officer status, be aware that we've made some changes that will make you stand out on the range. If you haven't been to the meeting it will show. If you haven't been to the meeting, your access to the ranges has been suspended until you can get up to speed with the changes that we've made.

That being said, there will be a range officer orientation beginning at 4:30 PM on Friday March 24, and we will hold another one again at 9 AM on Saturday, April 1, both beginning at the indoor range.

You must attend a range officer orientation in order to restore your active status on the ranges. If you can't make either of these dates please email us and we will work something out.

Finance Committee - Volunteers Needed - MRGC WANTS YOU!!!

We have 3 new volunteers on the committee, but we could still use more arms and legs. The Club is kick starting the Finance Committee back into action. The Committee meets to review the Club's finances, make recommendations, and report back to the E-Board on where the Club can make money, save some money or be more efficient in its business practices. Past accomplishments of the committee include an energy audit and savings through Mass Save. The committee will meet once a month for the first 1-2 months to get going and to address budgeting and then just once a quarter. Volunteering is a great way to earn some CHIT's towards next year's dues. For more info, contact Peter Early, pete.early@yahoo.com

Membership Committee - MRGC NEEDS YOU!!!

Membership Committee volunteers needed.

The Membership Committee is seeking additional volunteers to help the committee achieve its goals in the coming year. The committee meets monthly on the Sunday before the executive board meeting, at 1pm in the members lounge. We are also available on Executive Board meeting nights from 6:00pm to 7:30pm as we meet and greet new members each month. If you have been wanting to help the club but weren't sure how to contribute, this could be a great way for you to do so.

We look forward to hearing from you and we thank you for your consideration.

Some of the duties & goals for the upcoming year:

- Offer club tours
- Meet and greet new members with a welcoming attitude on Executive Board nights
- Create an 'on-boarding experience' that is positive, sustainable, documented and repeatable
- Revamp and refresh the now defunct 'New Members Welcome Handbook'
- create and implement a new member's gift bag with safety glasses, a club patch, etc. Develop and implement strategies to recruit new members
- Develop and implement strategies to strengthen the connections between members and to broaden the inner-club community

Please contact Bud Parker @ budman20@gmail.com for more info if you're interested.

(New Members are required to come before the E-Board in person on an E-Board meeting night with their applications filled out. Contact secretary, Bob Trombly secretary@maynardrodandgunclub.com)

GMAIL EMAIL USERS

I have learned that gmail may automatically filter emails into "tabs" (primary inbox, social, and promotional, etc) and some MRGC newsletters may get filtered into "promotional" tab which means members don't always see them until they dig them out of that folder.

A member who uses GMAIL recently found a way to make the MRGC emails arrive in his primary mailbox permanently and thought you might be interested. See below.
