2019 Annual Range Officer's Meeting - Mandatory

The dates for the 2019 Annual Range Officer's Meeting are set:

SAT. March, 2nd, 9-11am OR SUN. March 3rd, 9-11am (Attend one)

Regular and Life members get important safety, and procedural updates, new codes and combos for houses and range boxes on the ranges and more importantly, retain or renew your Range Officer privileges for 2019.

“Old Hat” for most of you, but just a reminder attendance of an Annual Range Officer's Meeting is mandatory for retaining Range Officer privileges uninterrupted in 2019.

New members this applies to you as well even if you just joined recently. Safety comes first and this is a great way to meet many fellow members so keep your range access “evergreen” for 2019 and beyond!

To receive your 2019 Range Officer card and extend your privileges, regular members must have paid your 2019 membership dues. Need an invoice? Contact secretary@maynardrodandgunclub.com and one will be sent to you!

If you can't make either annual meeting date, R&P does regular orientation for incoming members on the 2nd Monday of every month at 6:15 in the members lounge. Any other accommodation must be sought through rifleandpistol@maynardrodandgunclub.com

We look forward to seeing you all the at the annual meeting and, of course, out on the ranges!

Send jpg. photos to Josh at newsletter@maynardrodandgunclub.com to include in the newsletter and include a short caption of who, where and what. Many members continue to send in their great sporting pictures for the newsletter

Well, this isn't a hunting or a fishing picture, but it is a Tony Capoccia original on canvas. Who knew MRGC had such well rounded and talented members? Picasso has nothing on this artist! Go Pats and Go Tony!!!

Trap & Skeet Committee

Shout out to Mike Schleppe who shot 50 straight on the wobble skeet field on super bowl Sunday, an all time world MRGC record!!!! Go Mike!!!!

To all of those die hard skeet shooters and bored shooters, Thursday night skeet shooting under the lights has started to great fan fare. The schedule going forward is every 2 weeks on Thursday starting around 5:30-6:00, start when ready... Next date is Feb. 21. (First shooter there should open up, turn on the heat, open fields and lights and start when enough people have shown up.) Last shot is 9:00pm sharp!

As winter shooting is picking up, please come out and enjoy some trap and skeet shooting. However, please remember, ONLY 7 1/2, 8 or 9 shot can be used on MRGC trap and skeet fields. Absolutely NO hunting loads are ever permitted for safety. Targets loads only, PLEASE.

R&P Committee

Hello everyone,

Quiet time for the Rifle and Pistol committee is over, and we have a long list of events coming up this year that everyone should enjoy.

Monthly committee sponsored competitive shoots, such as last Sunday's indoor tin Can Alley 2.0, or the steel array coming up in June are always fun.

We will have 2 lady's range days this year, one in May and one in September, both dates should have much more favorable weather than the typical late October or November date that we have booked in the past.

The gauntlet will be held August 10th this year, maybe finally we will have it hot and humid, unlike the past two years of unseasonably cool and overcast weather.

the annual range officers meeting is coming up March 2nd and 3rd and we will have several important announcements, including changing the codes for the padlocks.

There is a rules update for 2019, and don't forget that your range access will be closed off if you don't make it to the club on either March 2nd or 3rd for our annual range officers meeting.

there will be at least one standalone

email reminding you of the annual range officers meeting and giving you the specific time.

The committee is working hard to make 2019 our best and busiest year in modern memory, and we need your participation, so keep an eye on the newsletter, hit our website, or email the committee to find out the latest goings-on and upcoming events.

I'd also like to thank the scouts from Troop 130 who showed up to help serve soups and appetizers to our guests. We look forward to seeing you next year!
