Want a chance to have a little something extra in your stocking for Christmas?

Check this out! As you know dues are due on January 1st for 2021. More than 250 strong have already paid their dues, many using QuickBooks invoices that were emailed out to pay online using credit cards or eChecks. The faster we get through the renewals the faster we can get to work on improvements at the club for 2021.

So, we want to give everyone just a little bit more incentive to wrap up their renewal early. Pay on line, mail or in cash as received at the club by 12/24 Christmas eve and we'll put you in a lottery to get your membership fee refunded!

HO,HO,HO! Perhaps virtue is its on reward. Thanks to all and a Happy2021!

Safe and secure election

Club elections are on December 20th from 10am to 4pm in the members lounge. Please vote.

The election will be in person, but, of course, social distancing protocols will be in place. Frankly, crowd control has not typically been an election day concern over the years.

Members coming to the Club lounge are required to wear masks. Voting members can check in, pick up their ballot and deposit it, and then exit out the main door of the Club.

Annual membership meeting Dec 21st @ 7pm Hear about the year in review, club election results and plans for the coming year!

Please don't hesitate to contact us if you have other questions or concerns.

Rifle & Pistol

The Rifle and Pistol Committee wishes you a happy end of the year and a Merry Christmas.

We are proud to announce our end of the year shoot on December 20th from 10:00 AM to 4:00 PM.

THE 1st ANNUAL FREE AMMO SHOOT N' VOTE JUBILEE

it is only open to the first 30 signups and there's still a couple left, so hit this link and see if you can select a time slot.

<https://calendly.com/actionrange2018/free-ammo-shoot-n-vote-jubilee?month=2020-12>

If not, please stop by the ranges anyway if you are at the club in case there are cancellations.

We would hate to have any ammo left over.....

It's free to shoot and the committee is supplying the guns and the ammo, all you have to do is reserve a spot and come down and take your turn.

All of the Maynard side ranges will be closed for the day on Sunday December 20th for this event.

This includes the Maynard side trap field, because we will be employing all disciplines, rifle, pistol and shotgun.

not only will you get to shoot the free ammo that we give you on your turn, but you could also win a box of 50 rounds of 9-millimeter. (this of course, is priceless)

It has been a hell of a year, and we'd rather not look back, but we will remind you to read the rulebook and make sure that you and those around you are following all the range rules.

Safety needs to be first and foremost in everyone's mind at all times.

We are focused on 2021 with great energy and enthusiasm and we look forward to making more acquaintances into friends, getting our ranges in tiptop shape and working to preserve our great club for future generations.

We hope to see you December 20th, please come down and vote, and stop by the outdoor ranges to say hello. We would love to see you!

Sincerely

The Rifle & Pistol Committee

Trap & Skeet

PREPAID DISCOUNT COUPON PROGRAM. The Prepaid Discount clay fees coupon program has been hugely successful. Members appreciate the discount savings on clay fees, especially for the most active shooters, but also for all members ease of payment with coupons in correct denominations for standard clay fees, instead of being hassled with bringing cash, making change, etc. Most significantly, the program has accelerated Skeet & Trap Committee's cash flow, allowing more frequent upgrades and replacements to be performed to its shooting facilities and equipment. Moreover, it has substantially lessened the administrative burdens on our volunteers who are responsible for collecting, depositing and accounting for the clay fees. see John Mackesy or Gifford Perry to purchase coupons.

Come out and try your hand at shooting skeet under the lights.

Upcoming Skeet under the lights dates

December 31

January 14th

January 28

See you on the ranges,

Thanks,

Gifford Perry & John Mackesy Trap & Skeet Committee
